The screenshot displays the Rexel website's header and main content area. The header includes the Rexel logo, a search bar with the placeholder text "I'm looking for", and navigation links for "My Account", "Fast Order", and a shopping cart icon. Below the header, there are navigation menus for "Browse Products", "About", and "Resources". The main content area features a login/sign-up form on the left and a large banner for "DATACOM LINE CARD" in the center. On the right side of the banner, there is a "VIEW NOW" button. In the bottom right corner of the page, a "Live Chat" button is highlighted with a red rectangular box. A black arrow points from the top right of the banner area down to the "Live Chat" button.
